Roles and Functions of New Quay Town Council

The Council's Role

Work done by the Community Council

The 1972 Local Government Act states that every part of Wales is in a community. In England , the term “Parish Councils” is still used but in Wales, however, the legal and constitutional term for these units of local government administration is termed “ Community Councils”

The Community Council represents the lowest tier of local government and is closest to the public as regards meeting local needs. The Council has several statutory rights and duties.

What is the Council structure?

A list of your local councillors is provided on the next page. The Town Council has 10 Councillors who do not represent any political party. They are elected every 4 years. A part time Clerk/Financial Officer is employed to handle all arrangements for meetings and preparing an agenda to deal with the records and financial and administrative matters linked to implementing the Council's work. Contractors are also employed to carry out specialist work such as repair and maintenance i.e. grass cutting, maintain the footpaths and so on.

The Town Council makes observations on planning applications before they are decided upon by Ceredigion County Council. They provide funding for events, clubs and services in the town. The Council appoints members to sit on the School Governing bodies.

How does the Council work?

Any work done by the Council will be implemented following decisions taken at open meetings. Any work is paid for with public money which the Council receives through raising a precept which is part of the Council Tax set by Ceredigion County Council.

What is the Council's precept?

In 2020/21 the Council's precept is set at £16,072.64 The precept is raised to finance the Town Council's responsibilities including the Skateboard Park, Maesypwll Woodland, street furniture and a number of footpaths in the area.

The precept works out at £21.36 per property (Band D).

Can the public attend the meetings?

By all means. You are welcome to attend our meetings as listeners only – and we would encourage that. Members of the public are not entitled to take part in Council discussions or give their opinion during the meeting – there may however be exceptional circumstances where the chairperson is allowed to call for a contribution from the public and for them to make a statement. Council meetings are held monthly, except for August, and are usually held on the last Monday of each month at New Quay Memorial Hall.

Annual Meeting

The annual meeting is a legal obligation as stated by the Local Government Act 1972. The annual meetings has to be held in the month of May. Council decides on the date. The first item on the Agenda must be the election of the Chairman of the Community Council for the next twelve months

The Council's Work in 2021/2022

1. Dog signage

At their meeting held in May 2021, it was agreed that the no dog fouling signs would be erected. Due to the number of dogs on the main beach that were prohibited as from the 1st of May, it was agreed that signage would be purchased together with a possibility of a banner on the way down to the beach. The signs from the second quote would be purchased. At the June meeting, it was agreed that due to the number of dogs on the main beach that were prohibited as from the 1st of May, it was agreed that two pavement signs would be purchased with a rigid panel holder.

It was reported in the July meeting, that the no dog fouling signs had be erected, however, dog fouling remained a major issue. Also, dogs especially early morning were seen on the main beach. It was agreed that the warden be contacted.

2. Dog prohibition on main beach

Following a request by the Council regarding the prohibition of dogs on the main beach, an email had been received from CCC regarding prohibiting dogs on the main beach all year. Due to the pandemic , officers were unable to assist currently with this request.

8. Emptying of bins

Lengthy discussions were held in the July meeting regarding the emptying of bins. The County Council had offered more bins, however, it was noted that they were emptied twice a day at 8am and 2pm.

Members were of the opinion that the bins should also be emptied at 6pm. This view would be conveyed to CCC. It was reported at the November meeting that the bins again had been a major issue over the summer period and the boxes used by the chip shops continued to block the bins, and therefore the larger bins would be requested. It was also noted that the bins that were on top of the slip down to the Wildlife centre were not secured to the railings.

9. Local Government and Elections Act 2021

The Clerk updated Members at the July meeting on the elements of the Act that were relevant to the Town and Community Councils. It was agreed to further investigate the equipment required; and the costs to accommodate hybrid meetings.

10. Harbour Manager

An invite was sent to the Harbour Manager at the November meeting to attend Town Council meeting to address issues raised regarding the harbour. Councillor J Davies had requested that that harbour and surrounding area be discussed. She conveyed her disappointment on the untidiness and cleanliness of both with issues of weeds, brambles, broken equipment, broken shower on sandy slip, empty sheds with no effort of issuing their leases, lamp post broken by the watersports centre etc. It was also unclear the role of the Harbour Manager and Harbourmaster to deal with these issues. It was agreed that Councillor Davies would provide a full list of issues that were required to be addressed to Councillor Potter to forward to the Clic service. All Members agreed and supported the comments of Councillor J Davies.
